Re-purpose, redesign, reapply. All these terms can be used to describe the Recycled, or Up-cycled, Art movement.

It is a way to turn trash into treasure – in more ways than one. Not only can artists create stunning artwork for the viewer to enjoy, but in doing so, they can also make a statement about excessive consumption and environmental pollution.

For this exhibit, we challenge artists to explore the possibilities found in using discarded objects or materials to express themselves creatively. The works may be any size from large to miniature, 2D or 3D. From paintings, sculpture or wall art to couture, jewelry or furniture, you are only limited by your imagination... and the size of our front door!

All mediums are invited. All work submitted should reflect the theme. Open to artists 18 years and older.

ENTRY FEE: Members = \$45, Non-members = \$60
